How big of a success was 2013?

The World Sight Day Challenge brought in more than $850,000 in 2013 – and that was in two month time!

The countries that participated were Australia, Canada, US, UK, Ireland, Norway, and Italy. You can be a part of this and make a difference in the lives of people from around the world!

Lifetime Vision Center was able to donate over $700 to this worthy cause, but we know that with your help we can make 2014 even better!

"Preventable blindness is a solvable problem, and the World Sight Day Challenge is a great way for everyone to make a meaningful contribution and help to provide eye and vision care for all people."

- Clive Miller, CEO of Optometry Giving Sight

Lifetime Vision Center in Auburn

Your donations go to Optometry Giving Sight

Optometry Giving Sight is an organization that provides funding for eye care services for the blind or visually impaired who don't have access to an eye exam or glasses.

World Sight Day is on October 9th this year, and Optometry Giving Sight hosts a World Sight Day Challenge in September and October to raise money and awareness for their worthy cause. This run is part of Lifetime Vision Center's efforts to help raise funds for Optometry Giving Sight.

The donations that Optometry Giving Sight takes in go towards missions all over the globe to spread healthy sight in every corner of our beautiful planet.

How your donation helps:

- $50 can help provide a study kit to an optometry student
- $100 can help provide 20 people with access to an eye exam
- $300 can help provide a child sized trial frame
- $1,200 could pay a month's salary for an optometrist to see up to 40 patients a day

How to register:

Fill out the back of this pamphlet and either mail it to our office at

Lifetime Vision Center Attn: Alex

922 Alden Drive

Auburn, NE 68305

Or bring it by our office.

There are also sign up forms at our office.

Please make checks payable to Lifetime Vision Center, and if you are mailing your entry form, please mail a check and not cash for your safety.
