

## Let me cut through the jargon and get to the point .. how you can make money selling to the government

**PRESENTER**  
Julie Wilhelm,  
certified government  
contracting counselor

You don't have to be an MBA to understand government contracting. Some basic knowledge and simple steps (ABC) can get you started.

In this no nonsense workshop, I will show you how to compete successfully for lucrative government contracts. With a little planning it could be your business selling to the government.
