ITEM FOR FEBRUARY 10TH CITY COUNCIL MEETING

On July 4th, the Auburn Eagles and Fire Department would like to set off a public fireworks display at the Auburn High School.

In event of inclement weather, the fireworks display would be held on Saturday, July 5th.

The display will be similar to the last several years, with fireworks set off on both City and District 29 Schools property. Public seating will be on school practice fields and the city park area east of the ball fields. The display will not impact any landscaping in the area.

The display is insured through our distributor, Premier Pyrotechnics.

Our request is at this early date in order to take advantage of a 10% discount on our fireworks purchase for advance orders.

We would like this request discussed at the February 10th City Council Meeting.

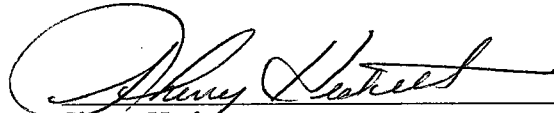

Thank you for your time,

Lee Conner
