SECTION 1. Section 132.06 of the City of Auburn, Nebraska, Code of Ordinances is amended to read as follows:

§ 132.06 ALCOHOLIC BEVERAGES AND OTHER INTOXICANTS.

§ 132.06(A) REMOVAL OF INTOXICATED PERSONS FROM PUBLIC OR QUASI-PUBLIC PROPERTY.

(1) Any law enforcement officer with the power to arrest for traffic violations may take a person who is intoxicated and in the judgment of the officer dangerous to himself, herself or others, or who is otherwise incapacitated, from any public or quasi-public property. An officer removing an intoxicated person from public or quasi-public property shall make a reasonable effort to take the intoxicated person to his or her home or to place the person in any hospital, clinic, alcoholism center, or with a medical doctor as may be necessary to preserve life or to prevent injury. The effort at placement shall be deemed reasonable if the officer contacts those facilities or doctor which have previously represented a willingness to accept and treat the individuals and which regularly do accept the individuals. If the efforts are unsuccessful or are not feasible, the officer may then place the intoxicated person in civil protective custody, except that civil protective custody shall be used only as long as is necessary to preserve life or to prevent injury and under no circumstances longer than 24 hours.

(2) The placement of the person in civil protective custody shall be recorded at the facility or jail at which he or she is delivered and communicated to his or her family or next of kin, if they can be located, or to the person designated by the person taken into civil protective custody.

(3) The law enforcement officer who acts in compliance with this section shall be deemed to be acting in the course of his or her official duty and shall not be criminally or civilly liable for the actions. The taking of an individual into civil

protective custody under this section shall not be considered an arrest. No entry or other record shall be made to indicate that the person has been arrested or charged with a crime.

(4) For the purpose of this section, the following definitions apply unless the context clearly indicates or requires a different meaning.

PUBLIC PROPERTY. Any public right-of-way, street, highway, alley, park or other state-, county- or city-owned property.

QUASI-PUBLIC PROPERTY. Private- or publicly-owned property utilized for proprietary or business uses which involves patronage by the public or which invites public ingress and egress.

(Prior Code, § 6-327)

§ 132.06(B) TOXIC INHALANTS.

It shall be unlawful for any person, for the purpose of intoxication, inebriation, excitement, stupefaction or the dulling of the brain or nervous system, to intentionally smell or inhale, or possess for the purpose of smelling or inhaling, any product which is capable of releasing toxic vapors or fumes; provided, however, that, nothing in this section shall be interpreted as applying to the inhalation of anesthesia or medication prescribed by a licensed practitioner of medicine and surgery for medical or dental purposes. For the purposes of this section, the term **TOXIC VAPORS OR FUMES** shall mean and include any glue, cement, nail polish remover, paint thinner, cleaning fluid, gasoline or any other product or adhesive containing one or more of the following chemical compounds: acetone, an acetate, benzene, butyl alcohol, ethyl alcohol, ethylene dichloride, isopropyl alcohol, methyl alcohol, methyl ethyl ketone, pentachlorophenol, petroleum ether, toluene or any other chemical which, if inhaled into the human system, shall produce a condition of intoxication, inebriation, excitement, stupefaction or dulling of the brain or nervous system.

(Prior Code, § 6-328)

§ 132.06(C) SALE OF TOXIC INHALANTS.

It shall be unlawful for any person to sell, offer to sell, give or offer to give any product which is capable of releasing toxic vapors or fumes to any person, if the person has reasonable cause to believe that the product sold, offered for sale, given or offered to be given will be used for the purpose of violating
