### ABOUT THE TRAINER

Bridges training is conducted by  
Alynn Sampson, Child Hunger Director  
from the Food Bank of Lincoln

### ABOUT BRIDGES TRAINING

The Auburn Backpack Program is sponsoring a free Bridges Out of Poverty training in our community. This interactive training examines the root causes of poverty. It provides a deeper understanding and common language of the new culture of poverty.

It provides a platform for safe discussion, innovative action and tools for change that can lead to lowering poverty rates. You will gain a deeper understanding of economic class, hidden rules and mental models that exist within each class.
