Food for thought...

or maybe, think
about the food! 🍷

When you attend a local sporting event, buying goods from the concessions stand is supporting a program. Concessions stand sales help cover expenses that would otherwise need to be covered by participants. Prices are often times lower than you would see at a convenience store. Please do not bring in your own items! We are working for a purpose and we would love to serve you.

SO, WHATS NEXT...

December 10th: Boys Basketball Tournament

December 12th: 1st Wrestling Practice

AUBURN CITY RECREATIONS COMMITTEE

ACR MEMBER OF THE MONTH:

For this merry little month we would like to recognize, drumroll **Aric Harris!** **Aric** joined the Auburn City Recreation Committee around 7 years ago. Not only is he an active committee member, he also serves on the board as Treasurer. **Aric** has been our Treasurer for the last 4 years. His diligent record keeping has kept things running smoothly. He has coached T-ball, Coach Pitch, Baseball and Softball over the years. Last season he was our Softball Commissioner and organized a successful District Softball Tournament at the Auburn Rec Complex. **Aric** is not someone who looks for the spotlight, he might be slightly blushing reading this (sorry **Aric** 😊 don't be mad)! Send him a text, email or toss out a hand to shake and say **Thanks!**, trust me- he deserves it!!
