ATTACHMENT A – Areas of Significance for Local Landmark Designation

A particular site, structure, or area may be designated for preservation as a landmark or historical district if it has:

- (1) Historical importance or cultural significance, or association with a significant person
 - Historical importance or cultural significance, interest or value as part of the development, history, heritage or culture of the City, state or nation;
 - Associated with the life of a person significant in the past;
 - Site of an historic event, or exemplifies the cultural, political, economic, educational, social or historic heritage of the community;

- (2) Architectural and engineering importance
 - Architectural and engineering importance, portraying the historical setting or environment of a distinctive characteristic of an architectural or engineering type, period, style, or method of construction;
 - Work of a resident, builder or designer whose individual work is significant in the development of the City;
 - Contains elements of design, detail, materials or craftsmanship of distinctive quality, or which represents a significant innovation;

- (3) Geographic importance
 - Geographic importance, by being a part of or related to a city center, park or other distinctive area, which should be developed or preserved according to a plan based on a historic, cultural or architectural motif;
 - Owing to its unique location or singular physical characteristic, represents an established and familiar visual feature of a neighborhood, community, or the City; or

- (4) Archeological importance has yielded or is likely to yield information regarding the history of the area prior to the establishment of the City.

8. The current condition of the building is only fair condition from the outside. I was not able to gain access to the interior. I was also not able to find any construction records on this building.

9. This building was at one time a laundromat. Other than that not much is known about this building. I was barely able to find that it was even a laundromat.

10. a) Old Auburn phone Directories

b) spoken word from the managers of the Nemaha Valley Museum.

Date received _____

Instructions

Please be as detailed as possible in completing the form. Attach additional sheets or supplemental information as necessary.

History and Significance

On a separate sheet, describe the property's importance to state or local history; this may include significant events or people associated with the property, important dates, or architectural significance. (List sources used in the Bibliography; if possible, include copies of the research material.)

Bibliography

On a separate sheet, list published and/or unpublished sources or other information such as early photographs, maps, newspaper articles, and histories. (When appropriate, cite author, title, place of publication, date, and page numbers. If possible provide copies of sources used.)

Photographs

Enclose current, clear photographs of the property, including representative interior shots. A minimum of two photographs is required for a single property showing all sides. For complexes, farmsteads, and landscapes, include general views as well as individual views of major buildings/structures/objects. Photos should be keyed to a site plan. See Sample Sheet.

Floor plan (for buildings and structures)

On a separate sheet, provide a plan that indicates the location and arrangement of first-floor rooms (and a typical upper-floor plan for multi-storied buildings), including doors and windows. Also provide exterior or interior measurements. See Sample Sheet.

Site plan

On a separate sheet, indicate the arrangement of buildings/structures/objects in their setting. Information about other landscape features such as fences, corrals, outhouses (either standing or demolished), cellars, trails, or the approximate location of demolished buildings, are also of interest. See Sample Sheet.
