PUBLIC NOTICE
Dated July 1, 2020
by the MAYOR

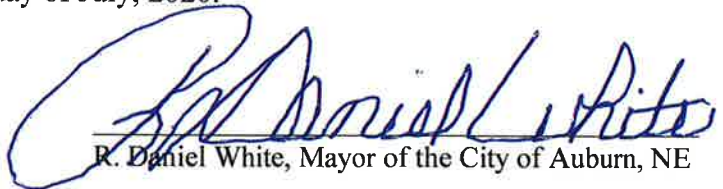

On April 3, 2020, I, in my capacity as Mayor, entered a Public Proclamation in an attempt to reduce the spread of Novel Coronavirus 2019 (COVID-19) for the safety and welfare of the community of Auburn, NE.

Since that date, the Governor has implemented re-opening phases and guidelines that have been followed by the City to allow for the re-opening of City recreational fields, sporting activities, and the swimming pool. At this time, the public has been well informed of the symptoms, risk, guidelines, and precautions, necessary to protect themselves and their families/loved ones from this infectious disease. In consideration of the Governor's phase 3 directive/guidelines and in coordination with the Southeast District Health Department, I am releasing the remaining restrictions within the April 3, 2020, Public Proclamation to allow City facilities to be available to the public for the benefit of the public.

This Notice does not mean that the spread of COVID-19 has been reduced or eliminated, at this time. It does indicate that the residents of this Community, and the State, are appropriately informed and aware of the continued possible spread, the symptoms, and the health concerns/dangers that this disease causes, and have received substantial notice and information to govern themselves accordingly.

Please continue to follow social distancing guidelines, including 6 feet of separation, and the use of a face mask in public, when possible. Take due care and responsibility to wash hands for at least 20 seconds with soap and warm water, both before and after contact, as public facilities are not maintained against the possible spread of the virus. Continue to use precautions, stay safe, and be healthy!

Dated this 1st day of July, 2020.

R. Daniel White, Mayor of the City of Auburn, NE

WITNESS my hand and the seal of my office,
this 1st day of July, 2020.

Sherry Heskett, City Clerk
